## Appleton Old Car Show & Swap Meet GENERAL CAR SHOW INFORMATION

**QUALIFY:** The show is open to Collector Cars and Trucks that are 1980 and older.

**ADMISSION:** The car show and all activities on the grounds are **FREE** to Old Car enthusiasts and spectators, including youth activities.

**OLD CAR REGISTRATION:** There are no registration fees and each old car registered will receive the following:

- 38th Annual Meet Dash Plaque - First 1000 entrants
- Trophies - Opportunity to win one of over 35 trophies based on car show entrants voting within their class.
- Registration for **FREE** Miller Welder by raffle for car show owner participants - Winner must be present at time of drawing to win.

Registration for show cars and their participants is held at the stage of the pavilion on the east side. This is an excellent location to secure directions or emergency assistance.

**CAR SHOW HOURS:** Cars may enter the show field no earlier than 8:00 a.m. and will not be allowed into show after 2:00 p.m. The official and basically only acceptable entrance to the car show is located on the southwest corner of the intersection of Prospect and Pierce Streets. Please look for signs and follow the directions of show staff.

**GROUND RULES:** Due to the heavy concentration and close proximity of the show cars in the park, strict fire regulation will be enforced. NO OPEN FIRES, grills, or cooking fires will be permitted in the park the day of the car show. The show sponsors wish to encourage a minimum amount of car movement in the show area and that movement should be made at a safe and respectable pace as not to hazard participants or spectators. Flame throwing, burnouts and spinning of tires in park are strictly forbidden.

**FOOD ON GROUNDS:** A very tasty, well-prepared and reasonably-priced array of food is prepared on the grounds by the Appleton Fox Cities Kiwanis as their major fundraiser for 2015. The food stand is located on the west side of the pavilion, and there are additional food and beverage stands located throughout the park.

**SWAP MEET & CAR CORRAL:** A very popular and well-attended area has been designed within the park for a Swap Area and Car Corral. Reservations for Swap spaces and Car Corral are available on another page in this book. The Car Corral is a designated area where cars for sale are parked in a reserved paid-for space. Please note that NO FOR SALE SIGNS are allowed on cars parked in the car show display areas. Cars with For Sale signs will be asked to remove them and/or remove their car from the show. The Swap and Car Corral are located on the northwest side of the park. Use park map for directions. The entrance to the Swap Meet and Car Corral for vendors is the entrance to Piece Park from Prospect on the North side of the park. Swap vendors will use the right lane and circle down through the lower parking lot then stop, check registration and be guided to their stalls. Vehicles entering the Car Corral will use the same north entrance off Prospect, but use the left lane through the entrance, stop for registration, then proceed by direction to the Car Corral.

**FIRST AID & EMERGENCIES:** A first aid station has been established on the south end of the pavilion for any emergency. Police are available on the grounds during the car show. For best information or for an emergency, head for the registration stand in the pavilion.

**HANDICAPPED PARKING:** A handicap parking area has been designated just inside and on the west side of the Prospect Street entrance to Piece Park.

**RESTROOM & TOILET FACILITIES:** A restroom is located just off of the pavilion on its Northwest corner. There are also port-a-potties located throughout the grounds.

**INVITED CLASSICS:** The Appleton Old Car Show has invited a select group of Classics and Old Cars to participate in The GREAT MOTORING MEMORIES display. This tented and roped-off area, east of the pavilion, presents some of the area's classic automobiles and outstanding examples of unique and one-of-a-kind vehicles that have achieved prominence in automobile history. Preference is given to brass-era antique and classic cars. In past years, many of the cars featured have received the prestigious honor of having been judged national winners in concours competition. The public is invited to view these selected old cars. When enjoying any of the hundreds of cars on display please respect the value of these cars to their owners.

**TRADEMARK:** The Appleton 2015 symbol is a trademark of the Appleton Old Car Club. Reproduction in any form, on any item, is restricted to authorized vendors. All such requests must be received and authorized prior to July 1, 2015.

# Register to WIN the Miller Electric Welder at the Pavilion!

**2014 Miller Welder Winner:**  
**Mike Brandt • Seymour, WI**

As in previous years, the great community-minded Miller Electric Company of Appleton, Wisconsin, has made a wonderful donation available to the Appleton Old Car Show. Any person registering a 1980 car or older at the Appleton Old Car Show will have an opportunity to win a Miller Electric Millermatic wire-feed welder ideally suited for working on any old car restoration project and a perfect piece of equipment for the restorer that has set high standards on the quality of his/her work. It is also the perfect welder for many other jobs at home and on the job. The random drawing will be held during the trophy presentation normally mid-afternoon on Sunday. Please note that all the registered participants at the show are eligible and **participants MUST BE PRESENT TO WIN** the welder. Stop by the pavilion, fill out the entry form, and place it in the bucket for your chance to win! ❖
